

350

A technical drawing of a stepped shaft. The shaft is oriented vertically. It features a central section with a diameter of 32, indicated by the symbol  $\varnothing 32$  at the bottom. The total length of the shaft is 350, indicated by a dimension line on the left side. The shaft has a stepped profile: it starts with a wider diameter section at the top, transitions to the central diameter section, and then transitions back to a wider diameter section at the bottom. The drawing is a simple line drawing with no shading or texture.

$\varnothing 32$
